## AVAILABLE FOR 2023 - ZIMBABWE TRAVELING QUILT

This year's traveling quilt is a colorful comforter made by Addlight Mudombo in Zimbabwe. It will raise funds to help MCC partners in Zimbabwe who support people in rural areas by assisting them to feed their families as they adapt to climate change and develop new earning opportunities. One

partner is Score Against Poverty (SCORE), a locally run organization that empowers women, the primary support of their families, through clean energy technology.

Addlight was a recipient of SCORE's biodigester, which turns cow manure into gas energy. Now she can cook quickly and efficiently on her gas stove instead of spending hours searching for firewood in remote and sometimes dangerous areas.

Addlight uses her extra time to co-manage her brother-in-law's farm with her husband, Elnathan Mboweni. The biodigester also creates a manure biproduct that is a potent fertilizer for their crops. This eliminates the cost of chemical fertilizer.

Together, they also have time to create handsewn pieced comforters to sell for extra income. Elnathan makes the designs and templates. They cut the blocks from used clothing, and Addlight pieces and sews the comforters by hand. She will sell them for extra income. She also teaches other women how to make the comforters.

This comforter was purchased by MCC News Coordinator Linda Espenshade after visiting the family and recognizing the connection between quilts and relief sales and the commonality of lives being positively impacted through a beautiful craft.

As a member of SCORE's Women Coalition for Climate Change, Addlight also encourages her neighbors to help protect the environment by planting trees and using their community savings and loan groups to buy biodigesters, energy-efficient stoves and solar power.

Funds raised through this traveling quilt will support partners in Zimbabwe and should be designated to "Zimbabwe Food and Livelihoods."

Traveling quilts are for display only, giving a visual image for the donation of Blessing Bids toward the Zimbabwe theme. Blessing Bids are reported by the sale treasurer as designated gifts, allowing MCC to direct the funds toward the designated programs.

# Sharing Our Surplus (SOS) Campaign

A sixth-year initiative to raise money for refugees around the world

---

Each year the Virginia Mennonite Relief Sale raises hundreds of thousands of dollars for Mennonite Central Committee for relief, development, and peace in the name of Christ. This year we're again offering an additional opportunity to add to the total giving through a "Sharing Our Surplus" (SOS) campaign that solicits cash, check and credit card gifts for MCC's work with refugees around the world.

In its first five years, this initiative has raised over \$235,000. A donation table in the Everence table and tent near the main entrance will be staffed by volunteers who will receive donations Friday evening and all-day Saturday.

Those unable to attend the Relief Sale in person can make a generous contribution online at <https://vareliefsale.com/donate/> or write a check to Virginia Mennonite Relief Sale (with SOS on the memo line) and mail it to Relief Sale, 601 Parkwood Drive, Harrisonburg, VA 22802.

Harvey Yoder, chair of the SOS committee, encourages relief sale supporters to give in the spirit of Jubilee justice—over and above our regular tithes and offerings, and over and above what is normally raised through auction and food sales.

Please  
donate  
generously!

## PAYMENT AND PICKUP

Payment may be made by personal check, credit card and cash. All items need to be paid and picked up by 4:00pm on Saturday. Payment can be made over the phone if you are unable to come in person. Shipping can be arranged for smaller items at an additional cost.

## AUCTIONEERS

Special thanks to our auctioneers who donate their time to make this sale possible. Please support them by bidding quickly and visibly.

## SILENT AUCTION

The Silent Auction is only available for in person bidding. Register for a number at the auction cashier table in the auction building. Items will close on Saturday at 11:30 am and 12:30 pm.

## COMFORTERS AND QUILTS

**Comforters** – Usually made from heavyweight materials and put together by knotting or using large stitches.

**Quilts** – Usually made of lighter weight materials and quilted with very fine stitches.

### TYPES OF QUILTS

- **Pieced** – Small pieces of material are sewn together to form a design. This is framed by a border and bound to finish off the raw edges.
- **Appliquéd** – Pieces of material cut into decorative shapes are applied over the surface of another piece of fabric. These are sewn together with tiny hidden stitches.
- **Stamped/Preprinted** – The top is one large piece of material with the design stamped on. These are quilted with fine stitches.

### QUILT AND COVERLET APPROXIMATE SIZE INFORMATION

Quilt Sizes		Coverlet Sizes	
King	120 x 119	King	104 x 95
Queen	102 x 119	Queen	87 x 95
Full	96 x 114	Full	81 x 89
Twin	81 x 114	Twin	66 x 89
Crib	40 x 60		

### QUILT CARE

New quilts made with cotton fabrics are usually washable. However it is advisable to put as little tension as possible on the threads. Wash gently with cool water. Quilts with red or blue in them may not be colorfast if fabrics were not prewashed. To dry, drape over several clotheslines to distribute the weight more evenly or lay the quilt on a flat surface over absorbent towels. A quilt should never be stored in plastic. Rather, it should be wrapped in a sheet or pillowcase which allows it to breathe. A quilt should be rolled rather than folded.
