

SMALL CHANGE. BIG IMPACT.

My Coins Count is a fun way to raise money for special projects of VMissions and Mennonite Central Committee. Coins, currency, and checks are collected and counted as part of the Virginia Mennonite Relief Sale, held October 2-3, 2026 at the Rockingham County Fairgrounds. As a joint initiative, funds raised are shared evenly between the two agencies.

Bring the buckets before the Relief Sale to Park View Federal Credit Union (preferred) or to the Relief Sale by 9 AM on October 3. Totals will then be calculated for each congregation/organization.

Please make checks payable to "Virginia Mennonite Relief Sale," designated for My Coins Count.

2026 PROJECTS:

EDUCATION

Norma Teles, a VMissions worker in Lezhë, Albania, runs an early learning center focused on blessing Roma kids and their families with a safe and loving environment and an opportunity to hear and respond to the gospel message. Joshua Center graduates are well prepared for elementary

school, and in addition to academics, they have been taught life skills, such as good hygiene, manners, and a love for learning.

When workers in Southeast Asia saw the need for a stable learning environment in their slum neighborhood on the outskirts of a huge city, House of Hope was born. This free early learning center impacts the kids and their families through quality education and the incarnational love of Jesus.

At a preschool in Bangladesh, indigenous kids learn in classes in their own language before going to school. Kids in Ethiopia and elsewhere have what they need to learn and grow.

My Coins Count money gets school kits into the hands of students and provide everything from school lunches to playground equipment. My Coins Count money turns into books and school fees for sisters who had to flee their old home because of fighting. In their new home, in another part of DR Congo, they can now go to class and learn.

Let's work together to help kids around the world have what they need to learn, grow, and thrive.

Collect for My Coins Count through October 2, 2026
