MCC envisions communities worldwide in right relationship with God, one another and creation.

Purpose

Mennonite Central Committee

Values

MCC values peace and justice. MCC seeks to live and serve nonviolently in response to the biblical call to peace and justice. MCC values just relationships. MCC seeks to live and serve justly and peacefully in each relationship, incorporating listening and learning, accountability and mutuality, transparency and integrity.

Deuteronomy 5; Exodus 20; Galatians 5:22-23

Convictions

MCC is part of the larger mission of the church and embraces the “Shared Convictions” of global Anabaptists, inspired by Anabaptists of the 16th century who modeled radical discipleship to Jesus Christ.

What we do

In every country where MCC works, we partner with local churches and organizations with similar values. Together we work in three areas:

Relief: Meeting people’s immediate needs for survival during times of crisis, such as a hurricane or war, and working alongside communities to recover. We also focus on helping communities prepare so that damages from future disasters are minimized.

Development: Strengthening people’s long-term access to food and water, health care and education. Our programs also help people find ways to support their families.

Peace: Teaching conflict transformation and trauma healing skills, supporting peace education, advocating for justice and encouraging people to work together despite their differences.

A Piece of Relief Sale History

The quilt being featured this year is donated by Jan Ranck and made by Alta Kennel Yoder for the first Virginia Mennonite Relief Sale 60 years ago. This quilt is on display and will be auctioned off on Saturday. It is listed as the 105th item in Saturdays auction, lot number 1801.

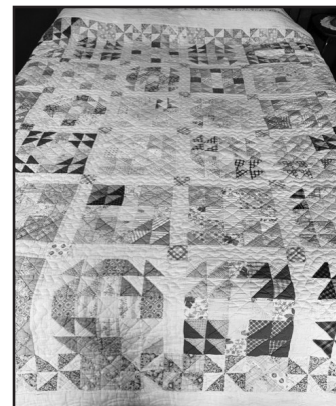

Sarah "Alta" Kennel was born to an Amish Mennonite family in Lancaster PA, September 1894. In 1922 she married Harvey E Yoder of Oyster Point, VA and became a member of Warwick River Mennonite Church which had an active sewing circle. During WW1 they met weekly, sewing ready cut garments supplied by the American Friends' Service Committee which were sent in large bundles to France, Russia and Germany. By WW2 Alta had joined the group as they were called upon to relieve the needs of countries in Europe, sending packages to Mennonite Central Committee (MCC).

For many years Alta served as President of Warwick River's Sewing Circle which continued to support MCC and many local needs. It wasn't unusual for her to be contacted for such things as making sheets for the local hospital, funeral or wedding clothes, and clothes for children in the family, church and community. When a granddaughter came into the house, covered

with cow feed, she plunked her into the bath tub and quickly sewed a simple (clean) dress.

Harvey & Alta hosted many people in their home – MCC "cowboys" ready to accompany animals to Europe following WW2, student nurses from EMC, Old Order men from the Shenandoah Valley who came to build the barn after it burned, family, friends and strangers. Though Harvey and Alta didn't feel comfortable being up front, they were good teachers and very loyal to the church, even if they didn't agree 100% with everything. They remained flexible and adapted to new things. Their generation went from horse and buggies to space age travel. A rhyme she used with her family was "Be not the first by whom the new is tried nor yet the last to throw the old aside."

She remained grateful for the work done by the sewing circle and recognized the "open doors for service that may never have been found had it not been for this organization." (From an article she wrote when President of the Warwick River Sewing Circle.)

Sharing our Surplus (SOS) Campaign

Donations to Sharing our Surplus (SOS) support MCC refugee relief around the world. SOS's effort raised more than \$83,000 in 2025. This year we hope to raise \$100,000. Funds will be designated for MCC's on-going relief work in **Gaza, Ukraine, South Sudan** and the **Democratic Republic of the Congo**.

Anonymous donors have pledged \$50,000 in matching funds. So, every dollar, up to \$50,000, given to MCC via the Sharing Our Surplus campaign, will be matched dollar for dollar.

We encourage everyone attending the Relief Sale to spend generously on food, auction items, and other items, and then match what you spend on things with an equally generous monetary gift at the SOS table outside the main auction building.

Donate

Credit card, Venmo, or PayPal contributions to the SOS initiative can be made at any time by [donating online](#). Quilts – Usually made of lighter weight materials and quilted with very fine stitches.

TYPES OF QUILTS

- **Pieced** – Small pieces of material are sewn together to form a design. This is framed by a border and bound to finish off the raw edges.
- **Appliquéd** – Pieces of material cut into decorative shapes are applied over the surface of another piece of fabric. These are sewn together with tiny hidden stitches.
- **Stamped/Preprinted** – The top is one large piece of material with the design stamped on. These are quilted with fine stitches.

To dry, drape over several clotheslines to distribute the weight more evenly or lay the quilt on a flat surface over absorbent towels. A quilt should never be stored in plastic. Rather, it should be wrapped in a sheet or pillowcase which allows it to breathe. A quilt should be rolled rather than folded.
